OTHER CONSIDERATIONS:

- Each exhibitor should be limited to the assigned space and the drawings of the same. It is forbidden to damage the facilities, not allowing to paint, drill, screw or nail the structures.
- The company shall not hang posters on any surface of the Hotel H10 Costa Adeje Palace
- The company shall not place, during the days of celebration of the Congress, including days of assembly and disassembly, materials in the sites of other exhibitors and common areas, which must always be free for the movement of people.
- The exhibiting company shall remove the objects and materials that remain installed in the stand after the end of the period of the time contracted by the Congress Organization.
- The company must satisfy the amount of all damage caused by them to the premises on the occasion of its installation.
- The company shall insure its staff against accidents, as well as covered Social Security and other labor and tax obligations provided for in the current legislation, being declined any responsibility on the part of the Organization about this matter.
- The loading and unloading of the materials for the Exhibition shall be carried out by the exhibiting company. Under no circumstances may materials or objects be introduced that block or hinder the exit of rooms.
- During assembly/disassembly the exhibiting company shall remove any excess material.
